

Eutopia. Client Referral Rewards.

Earn up to **£750** for your personal recommendations

At Eutopia we recognise that word of mouth and personal recommendations play an important part in our business. Many of our clients have come to us as a result of being referred by someone who has previously experienced our services.

If you know of any Companies that you believe could benefit from our specialist approach or that may require assistance in sourcing top talent, please refer them to us today.

For successful client introductions that lead to placed candidates, we will give you an Amazon voucher to the value of £750 – or, if you prefer, we will make a donation to a charity of your choice. If you are an existing client and refer us to an opposite number in a different organisation, we can offer a rebate against the next permanent placement we make with you.
